Test drive the Car of the Year

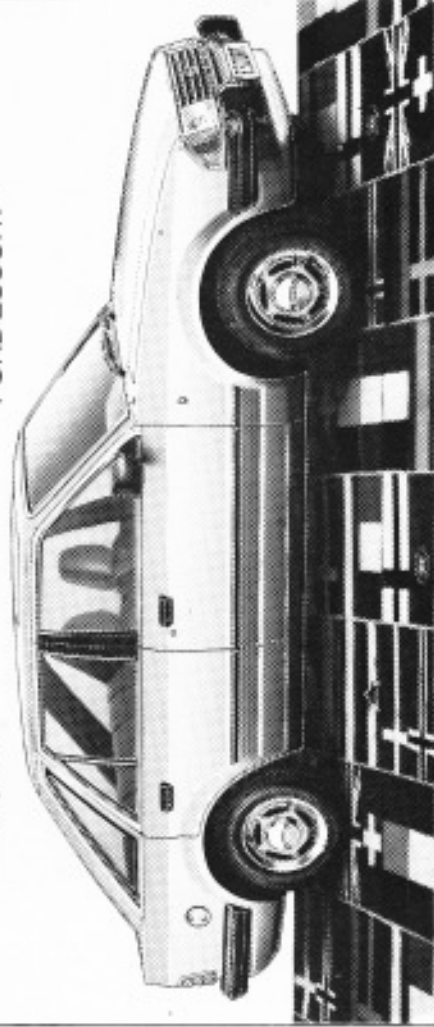

1981.

We've got one in our showrooms now. The new Ford Escort was picked by top motoring journalists from 16 countries because they thought that it offered the best combination of comfort, performance, handling, functionality and driver satisfaction available at its price. In other words, it's great value for money.

As one of the judges put it, the Escort is 'a brilliant and advanced design, the most up to date car on offer for the money.'

Drop in and see it and we'll take you for a spin.
