## THE ASTRA GTE.

*The Astra GTE weighs in with 115 hp.  
A five speed box and its 1800 fuel injected  
engine make it fast on its feet.*

*It will get up to 60 mph in 8.5 seconds. And  
top 115 mph where the law allows.*

*But punch isn't all the Astra GTE delivers.  
Inside it has Recaro seats, a radio cassette and a  
string of instruments.*

*Outside it has spoilers front and rear, but  
not an ounce of surplus chrome.*

*Plus wide alloy wheels and low profile tyres  
to help you hang a swift right, or left.*

*If you like the sound of our Astra GTE,  
arrange an exhibition match. You'll have no trouble  
finding a promoter. There are 659 Vauxhall-Opel  
dealers nationwide.*
