**THE HATCHBACK
THAT PACKS
MORE PUNCH.**

THE ASTRA GTE.

The Astra GTE weighs in with 115 hp. A five-speed box and its 1800 fuel injected engine make it fast on its feet.

It will get up to 60 mph in 8.5 seconds. And top 115 mph where the law allows.

But punch isn't all the Astra GTE delivers. Inside it has Recaro seats, a radio cassette and a string of instruments.

Outside it has spoilers front and rear, but not an ounce of surplus chrome.

Plus wide alloy wheels and low-profile tyres to help you hang a swift right, or left.

If you like the sound of our Astra GTE, arrange an exhibition match. You'll have no trouble finding a promoter. There are 659 Vauxhall-Opel dealers nationwide.
