The Championship organisers wish to thank you, the competitor for your splendid support in 1985. We hope that the generally well filled entry lists have justified all the efforts put in by the hard working event officials, to lay on what we feel has again been a superbly organised series of events.

In an endeavour to meet the wishes of our competitors we have made some amendments to the classes for next year and in so doing have introduced awards for an entirely new capacity class, 1601cc - 2000cc. We hope to have satisfied the majority. It should be noted that the provisions for moving up a class cars with multi-camshaft engines does not apply to cars entered in the Production Saloon Category.

The position of the 1985 winner of the 1301-1600cc class is subject to official confirmation concerning eligibility.

Finally we are happy to welcome a new sponsor to the Championship for 1986 - Mike Linford of European Motorsport and we look forward to a mutually beneficial association.

Best of success.

Mike Broad
Ron Crellin
