# UNIROYAL CENTURION RALLY

## 18TH MAY 1985

### FINAL RESULTS

After working perfectly pre-rally, churning out some 20,00 sheets of paper, our photocopier threw a wobbler on rally day an has required the attention of three engineers to make it better. Consequently we are awfully late in sending out the Final Result - our sincere apologies.

Anyway, it is over for another year - we hope you enjoyed th day's sport to say nothing of the after rally party (6.30a finish !!!).

Our thanks to all of you for making our day so easy and ou thanks also to Uniroyal Tyres for helping to make it a possible.

We hope you will all be back for another helping next year and in the meantime, here is a full set of this year's Final Results.

Also enclosed (when applicable) are proofs from one of th photographers out on the day. Other photographers will also b sending proofs direct.

See you next year.

The Organisers.

### IMPORTANT

One of our video tapes is missing.....

One of the video tapes taken on the day and shown during saturday evening has gone missing. This tape is very important to complete the edited video of the event. It is thought that the tape may have been picked up by accident be someone watching their owr videos on one of the machines.

The tape is easily identifiable as it is a VHS MINI CASSETTE complete with adaptor for use on a normal size VHE recorder/player. It will also not be in its correct case as we still have that. This was also rented equipment and we will have to make good the loss unless it is returned.

Would anyone knowing the whereabouts of the tape and adaptor please get them returned to:
