The results are attached. We apologise for the delay at the finish but hope you appreciate the difficulties we faced with the weather.

Another apology which we must make is the "field" which obviously suffered with the heavy rain. We were supposed to utilise the large car park and NAFFI building within Redesdale Camp but at the last moment the army moved in 600 cadets and we were faced with either cancelling the event or using the "field", praying for fine weather.

Apart from the weather problems we hope you enjoyed yourselves and trust that you agree that 80 stage miles was good value at £15.00.

Our sincere thanks go to the marshals who braved the dreadful conditions and made the event such a success.

Next year get your entry in early and pray for fine weather.

The Organisers
Tyneside Motor Sport Group
6.8.1978.

The following amendments should be incorporated in the results:-

- Car 69 - Stage 10 Pen. should read 156/ Total Pens 1699/Pos. 19
- Car 72 - Total Pen. should read 1661 - Pos. 18th.

This means that positions 18 - 25 shown on these results move down two places and positions 27 - 36 move down one place. Class positions should be altered accordingly.

Although car 29 is shown as class 2 we have considered him as class 3 for the purpose of these results.
