WOODPECKER STAGES

SUNDAY, 7th APRIL, 1991

Please reply to:

7th April 1991

Well here they are, the facts and the figures! We hope you enjoyed the day.

We would like to thank all competitors and service crews for their co-operation on the day, the service area was left clean and tidy, reports indicate that all crews were considerate to the local population and we have had no complaints from the police regarding the conduct of crews whilst on the event. It seems that everyone had a good time.

Thank you to those of you who have complimented us on the event it makes it worth while running it when we know that you have enjoyed it.

We would be grateful if those of you who were asked to fill in report forms could return them to Richard Wheeler, they really do help us.

There are a few teams that have as yet not returned their damage declaration forms it is important that these are returned quickly. Once again send them to Richard. Those outstanding at the present time are;

- 21. Dave Marland/Noel Murphy
- 31. Paul Smith/Hugh Edwards
- 50. Neil Thompson/Paul Oaden
- 84. Dermot Healy/Terry Atherton
- 88. Paul Hall/Chris Dewsnap
- 122. Geoff Roberts/Dylan Jones
- 139. John Brazier/John Grehan
